

“Christmas is for the Archousai”

Fellow Archons:

As we celebrate our Fortieth Anniversary the Archons of Alpha Tau Boule are excited to be your hosts for this year’s *“Christmas is for the Archousai.”* We are, in fact, delighted to unfold for you the *‘Treasures of Durham’* as we welcome you for the weekend. The date is quickly approaching for this year’s gala event. We have a truly eventful and entertaining weekend planned for you and certainly hope that you will accept our invitation.

We will begin on Friday evening with a visit to the Historic Hayti Heritage Center, for a reception that will include fantastic food, refreshing beverages, incredible entertainment and fellowship as only Archons and Archousai can appreciate. Afterwards, we will return to the beautiful Washington Duke Hotel and Golf Club for our After Hours Hospitality experience.

The following morning, our athletic golfers and tennis players will enjoy their respective sports on the Golf Course and Tennis Courts on property—that’s right—there is no commute! Those who elect not to participate in the sporting events will be otherwise engaged, as we have a magnificent Historic Tour of Durham in store for you. This outing will be deeply engrained in the accomplishments and contributions of African Americans to the local Durham community. It promises to be both informative and entertaining. There are other activities planned for the afternoon, as outlined in the Schedule of Events.

On Saturday evening comes the much anticipated Sire-Archon’s Formal Reception and Dinner, which will include an art exhibit and an evening of dancing. We will close Saturday with another After Hours experience in our Hospitality Suite, for those who are up for more.

We will end our time together with a Farewell Breakfast which will afford us another opportunity to enjoy great food and fellowship. We have many unique and memorable experiences planned for all of the Archons and Archousai and we sincerely hope to have you join us as we share with you the *‘Treasures of Durham.’*

We ask you to make your arrangements now, as we are anxious to know you will be here and we must finalize our plans. It also a very busy weekend at the hotel, and we want to ensure you get your desired accommodations. Remember: *“Christmas is for the Archousai!”*
